## Dura Self-Survey Sheet

### Thank you for contacting us regarding your garage plans!

We always aim to provide our FREE no-obligation garage design quotations as quickly as possible, so we have created this simple Self-Survey Sheet, for those customers that wish to use it. You can fill it in immediately without the need to wait for our initial home visit and scan and return it to **info@dura.co.uk**.

Don't worry about getting everything 100% accurate (*although naturally, the more accurate the better!*), as we will re-survey your garage to check everything prior to any installation, if you proceed. Simply answer things as accurately as you can and we'll do the rest!

If you have any questions, or decide you'd rather wait for a free Design Consultation, please **call our team on 01280 700563**.

Any home visits are conducted within stringent COVID-safety procedures, and observe any national or regional rules that are in place at the time.
